Regulated Price Plan Election Form

Please fill out this form if you want to change the Regulated Price Plan (RPP) structure that applies to the Electricity line of your bill. There are three options: Time-of-Use (TOU), Tiered and Ultra Low Overnight (ULO).

Under TOU and ULO pricing, the price you pay for electricity depends on when you use it. Under Tiered pricing, you can use a certain amount of electricity each month at a lower price, and once that limit is exceeded, a higher price applies.

For more information on Time-of-Use and Tiered Pricing and tools to help you decide which price structure is right for you, please visit www.oeb.ca/choice or
